PARENT'S COMMITMENT

1. I, as a parent/guardian, accept the challenge to "train up a child in the way he should go" (Proverbs 22:6), and I do state that this training will be carried on in the home. I place my trust in South Baldwin Christian Academy to extend that training more completely.
2. I do hereby state that I have made a thorough investigation of the school's program, curriculum, discipline, dress code, etc. and I agree to make them my glad-hearted choice for the coming school year.
3. I understand that I have an obligation to be actively involved in the education of my child. I agree to uphold and support the high academic standards of the school by providing a place at home for my child to study and by giving my child encouragement in the completion of school work.
4. I understand that the standards of South Baldwin Christian Academy expect appropriate speech, action, and dress. Dishonor to the personnel of the school, or continued disobedience will not be tolerated. I will be called for a meeting with school personnel to form a discipline plan of action if needed.
5. I will faithfully support the school through prayers and positive attitude, and I am committed to giving a good report by sharing any complaints and negative comments only with the people involved. I understand that unresolved issues will be taken care of by the school's administrative team.
6. I pledge that if, for any reason, my child does not respond favorably to the school, I will do everything in my power to cooperate with the school to help my child make the necessary adjustments. If these adjustments cannot be made, then I agree to quietly withdraw my child.
7. I will support the school by involvement in parent-teacher conferences, volunteer activities, workdays, and other school-sponsored meetings and activities.
8. I understand that I must serve a minimum of 10 service hours per year or pay \$250.00 to cover miscellaneous services for the academic year.
9. I understand the tuition rates, curriculum fees, and will make the appropriate tuition and fee payments upon registration. I understand that I am expected to fulfill the full tuition amount whether paid up front or in monthly installments regardless of whether or not my child completes the school year at SBCA. I understand and will fulfill my financial commitment and have included the \$160 per student registration fee.

I, as a parent/guardian of the student applicant, do sincerely give my pledge to the above items. I understand that failure of parent or child to comply with the established regulations, or failure to meet financial obligations will forfeit the student's privilege of attending and student records will not be released until all accounts are paid in full.
