

Snack and Lunch Accounts 2018-2019

Snack and lunch accounts are available for students in Kindergarten through 12th grade. We want to make sure your child has snack and lunch available if needed. If you would like for your child to purchase snack or lunch at the school and don't want to have to send money with them every day to pay for it, you can set up an account with us. All you need to do is bring a deposit to the office to put into their account. We will then allow them to draw from that account until the balance reaches zero. We will send you an email if your balance goes below \$10 so you can deposit more if you want them to continue to purchase snack and lunch.

SBCA Lunch Menu

This menu is available to students in Kindergarten through 12th grade who stay at the school for after care, study hall, or after school enrichment classes. They will need to inform their teacher of their order first thing in the morning each day they stay because we order the same day. They can bring money that day to pay for lunch or they can charge it if you have set up an account for them.

Week Day	Restaurant	Choices	Price
Monday	Crico's Pizza	Cheese or Pepperoni Pizza Slices - Water or Gatorade available for \$1	\$1 per slice \$ per drink
