ADMISSIONS REQUIREMENTS

The SBCA admissions criteria and model is built on the concept of a partnership with Christian families. We recognize the God-given responsibility of each parent to raise their children in the nurture and admonition of the Lord. Therefore, we are dedicated to being a resource for families, encouraging and facilitating the engagement of parents in the education of their children, and supporting the values espoused in the home and church. (Proverbs 22:6; Ephesians 6:4) The following criteria are used to determine admissions:

- Since SBCA is a Christian school in partnership with the family, at least one parent or guardian must acknowledge Jesus Christ as their personal Lord and Savior and be in agreement with the SBCA statement of faith.

CHRISTIAN ACADEMY

- A parent/guardian must submit an Application for Admissions and agree to the Parent Commitment outlined on the Application.
- A parent/guardian must have documentation showing the student has successfully completed the previous grade by a demonstrated proficiency of at least 70% or higher in reading, English, and math. If the new student has taken any standardized tests, the student should have earned national scores of at least 50th percentile or higher in reading comprehension, math, and English grammar and composition.
- Students and their parents applying for admissions will be interviewed by a school administrator in order to assess the students' academic motivation, spiritual maturity, and potential impact on the culture of the school. SBCA administration will consider things such as family cooperation and reasons for desiring enrollment at SBCA.
- Students must exhibit appropriate levels of behavior and maturity and parents must disclose any previous record of social, behavioral, or mental health issues. If evidence of nondisclosure occurs after acceptance, the student could become subject to dismissal. SBCA does not have provisions for special needs children.
- To continue to be enrolled, a student must exhibit satisfactory academic achievement, emotional stability, positive social behavior, good moral character, and willing cooperation with teachers and administration.
- Students must be age three on or before September 1 for admission into our K3 program, age four for admission into our K4 program, and age five for admission into our K5 program. Birth certificates are required upon application of all new students. Students must be of suitable age for their grades. Grade placement is made at the discretion of the Head of School based upon the student's ability to perform the work of that grade level.
- Students currently enrolled in a Homeschool Program will be required to take reading and math placement tests.
- The Head of School will make all final decisions concerning admissions and acceptance of applications.

I, as a parent/guardian of the applicant/student have read and understand the above SBCA Admissions Requirements.

PARENT COMMITMENT

1. I, as a parent/guardian, accept the challenge to "train up a child in the way he should go" (Proverbs 22:6), and I do state that this training will be carried on in the home. I place my trust in South Baldwin Christian Academy to extend that training more completely.
2. I do hereby state that I have made a thorough investigation of the school's program, curriculum, discipline, dress code, etc., and I agree to make them my glad-hearted choice for the coming school year.
3. I understand that I have an obligation to be actively involved in the education of my child. I agree to uphold and support the high academic standards of the school by providing a place at home for my child to study and by giving my child encouragement in the completion of school work.
4. I understand that the standards of South Baldwin Christian Academy expect appropriate speech, action, and dress. Dishonor to the personnel of the school, or continued disobedience will not be tolerated. I will be called for a meeting with school personnel to form a discipline plan of action if needed.
5. I will faithfully support the school through prayers and positive attitude, and I am committed to giving a good report by sharing any complaints and negative comments only with the people involved. I understand that unresolved issues will be taken care of by the school's administrative team.
6. I pledge that if, for any reason, my child does not respond favorably to the school, I will do everything in my power to cooperate with the school to help my child make the necessary adjustments. If these adjustments cannot be made, then I agree to quietly withdraw my child.
7. I will support the school by involvement in parent-teacher conferences, volunteer activities, workdays, and other school-sponsored meetings and activities.
8. I understand that I must serve a minimum of 10 service hours per year or pay \$250.00 to cover miscellaneous services for the academic year.

9. I understand the tuition rate, curriculum fee, and registration fee. I will make the appropriate tuition and fee payments by the required due dates. I understand that I am expected to fulfill the tuition amount whether paid in full at registration, in two payments, or in monthly installments. I understand and will fulfill my financial commitment and have included the required registration fee.

I, as a parent/guardian of the student applicant, do sincerely give my pledge to the above items. I understand that failure of parent or child to comply with the established regulations, or failure to meet financial obligations will forfeit the student's privilege of attending, and student records will not be released until all accounts are paid in full.
